REGISTRATION TERMS AND CONDITIONS

Summer 2017

Application and registration for camp constitutes acknowledgement that there is a certain degree of risk and possible injury by reason of the nature of camp and its activities. The parents/guardians furthermore agree that in the event they cannot be reached in an emergency situation, permission is given to the physician designated by GROW to hospitalize, secure proper treatment for, and order injection, anesthesia, or surgery for the camper.

Removal of campers: The right is reserved to remove any camper who according to the director's discretion, is judged detrimental to the general welfare of the camp, the program, the staff and/or other campers. Furthermore, there is no refund due to parent/guardian if their child is removed. If the child is removed due to illness or injury at the direction of a physician, a pro-rated amount of unused tuition will be refunded. No reduction in fees is made for late arrival or early departure.

Permission is granted for the GROW Foundation and/or other persons acting for or through them, the right to use reproduce, assign, and/or distribute photographs, films, video, and sound recordings of the camper for use in materials they may create for promotional, educational, or documentary purposes.

Arrival and departure: "Check in" for all sessions is on opening day from **1:00 pm to 3:00 pm** and "Check out" for all sessions is on closing day from **8:00 am until 10:00 am**. It's very helpful when arrival and departure are consistent with these times. Deviation from these times must be pre-approved with the camp director. If you are making transportation arrangements for your child, please be aware that the GROW Foundation provides transportation to and from the Rock Springs Airport (RKS) or the Jackson Hole Airport (JAC). There is an additional fee of **\$100** (each way) for transporting campers to and from either airport. We highly recommend making transportation arrangements as early as possible. We also recommend shipping luggage to and from camp via UPS or FedEx.

Health: Every camper is required to have a current health form on file with camp before they will be allowed to participate. This form is usually completed by the parents/guardians and the child's physician. Completed forms are mandatory for camp attendance. Campers should be covered under an insurance policy provided by their parents or guardians.

Fees: The GROW Foundation must receive a registration form and deposit of \$200 in order to register a camper for a session. The total fees for the respective session are due by May 5, 2017, after which payment in full is required for registration. Cancellations made in writing and received by GROW before May 5, 2017 will be eligible for a refund of fees paid less a \$75 processing fee. Cancellation after May 5, 2017 may result in liability for all fees. Any cancellation due to illness or injury must be accompanied by a written statement from the child's physician and a refund may be granted at the discretion of the director. Refunded camp fees may also be applied to a camp session for the following summer.

Campership Funds: A limited amount of gifted funds (camperships) are available each year for campers in need of financial assistance to attend camp. Information on applying for campership funds is available upon request. The campership fund provides an opportunity to help children attend camp that might otherwise not have the financial resources. Campership applications must be received by May 31, 2017 in order to be considered for a campership. For more information on applying for or donating to the campership fund, please contact the camp office.
